

A FRIENDLY PLACE

Here in Lindentown we like to play,

We sing and dance most ev'ry day.

We do our own thing, we go our own way

And once you come to visit us, you'll want to stay.

'Cause it's a friendly place here in Lindentown,

With lots of space; and if you want to see a friendly face,

There's no better place around than right here in Lindentown,

'Cause it's a friendly place here in Lindentown,

There's lots of space; and if you want to see a friendly face,

There's no better place around than right here in Lindentown.

THE SWAMP STOMP

We're the creepy crawly critters that live in the swamp.

We wiggle and we giggle and slither and romp.

We love to dance, we love to play,

And we do the swamp stomp ev'ry day.

Now slither like a snake, hop like a frog,

Now freeze like a salamander sleepin' on a log.

Now swim like a fish, and dive into the swamp,

Then do the twist, just like this,

It's called the swamp stomp, the swamp stomp!

We're the creepy crawly critters that live in the swamp.

We wiggle and we giggle and slither and romp.

We love to dance, we love to play,

And we do the swamp stomp ev'ry day.

Now fly like a bird, leap like a toad,

And creep like a turtle crawlin' down the road.

Now swim like a fish, and dive into the swamp,

Then do the twist, just like this,

It's called the swamp stomp, the swamp stomp!

BULLY'S SONG

Bully....

His name is Bully, yes, Bully, that's right!

Don't get too close or he just may take a bite!

We'll keep our distance; yeah, that's what he demands.

'Cause he's marked his turf and drawn his line in the sand.

Bully ...

Hey! You! Get off of his log!

Hey! You! Don't mess with this frog!

Hey! You! Get out of his bog

Unless you want to turn into a bump on a log!

Bully ...

Stay clear! Yes, we hear the words that you say!

You're Bully, the frog, we'll get out of your way!

Bully ...
